

PRESTON WANG-STOSUR-BASSETT

SOFTWARE ENGINEER

> ABOUT ME

Self-motivated web developer skilled in a variety of languages. Phenomenal communication skills, capable of explaining complex situations in easy to understand terms. Devoted to making the web a better place.

I am twenty-one years old with eight years professional experience developing for the web. Passionate and dedicated to my work, I have an eye for design and talent for computer programming. A self-proclaimed Linux enthusiast who enjoys traveling to far away lands and listening to an expansive variety of music.
